

SNAP Cats – 4663 Petaluma Hill Road, Santa Rosa, CA 95404 – 707.836.6000

NOTE: DO NOT GPS or “Map” us. You’ll end up in the wrong place.

If coming from the South:

101 North. Exit Santa Rosa Ave. (Exit 484B - next exit after Golf Course). Turn left at the light, then turn right on Mountain View (almost across from Friedman's). Follow until you dead-end into Snyder Lane. Turn left on Snyder. Snyder dead-ends into Petaluma Hill Road. Turn left on Petaluma Hill Road. We're on the left about an 1/8 of a mile. Don't pay attention to the addresses on the mailboxes. You'll see our address in very large numbers right next to our driveway, which is flanked by red brick columns. If you come to Hunter Lane you've gone too far.

Pull in and follow the driveway around behind the house. Park behind the house and enter through the blue French doors. No need to knock. Just come in. If no one's in the room when you get here they will be soon. Thanks.

If coming from the North:

101 South. Exit Corby Ave/Santa Rosa Ave (Exit 488A - first exit after you go under route 12). Go around and over 101. Turn right on Santa Rosa Ave. If you can take the first left (Colgan Ave.) please do. If not, you can turn left on Kawana Springs Road or Yolanda Ave. All three go to Petaluma Hill Road. Turn right on Petaluma Hill Road. From Yolanda and Petaluma Hill Road we're about 2.2 miles on the right (west) side. Look for a big sign “Hunter Lane Equestrian Center.” Slow down. Pass Hunter Lane. On the right you'll see a big sign with flashing yellow lights indicating that there's a traffic signal ahead. Our driveway is right past that sign on the right. It's flanked by red brick columns. You can't miss our address on the fence. If you hit Snyder Lane you've gone 1/8 mile too far. (Please Note: about 1/2 a mile past Yolanda (after you turn on to Petaluma Hill Road) you'll see a big sign with flashing yellow lights indicating the speed limit is 45 miles per hour. That's not the "big" sign you're looking for.)

Pull in and follow the driveway around behind the house. Park behind the house and enter through the blue French doors. No need to knock. Just come in. If no one's in the room when you get here they will be soon. Thanks.

Any questions/concerns call: 707.836.6000.

PLEASE NOTE: There are three simple tests that you need to pass in order to adopt a SNAP Cat or volunteer here: The first test is following these simple directions, which are written for a 5 year-old. If you can't follow these simple directions, then we can't trust you to follow more complex directions on how to take care of your special needs cat(s). Hope you understand.
