Volunteer

All interested volunteers must attend a New Volunteer Orientation Meeting. Age requirements, qualifications, and hours for responsibilities vary and will be explained in the meeting. If you're interested in any of the following positions, please email or call us. Volunteer Orientation Meetings are scheduled at your convenience.

CAT CARE TECHNICIAN

Be a trainer, therapist and caregiver to cats that need more than just attention.

CAT TRANSPORT

Drop off and pick up SNAP Cats from local venues (vets, shelters, events, etc.).

CLEANING

We always need help keeping our facility neat and tidy. If you can help us clean up after our kitties it'd be greatly appreciated. Oh, and you can play with the cats, too!

GENERAL

If you just want to help out in any capacity, that's great, too. Whether it's in the office, in our cat rooms, helping to keep our campus "green", or working on your computer at home, we'll always need and appreciate your help to take care of our wonderful cats.
